What is the problem?

- Tourists on a budget who visit Copenhagen want to have a local personal experience, while getting good quality pictures of their travel.
- Amateur photographers struggle getting recognition for their work because of lack of experience

ViewFinders

How are we solving it?

Tourists

- International Networking
- Personal tour with a local
- Affordable prices
- High quality pictures

Photographer

- International Networking
- Earn experience
- Improve portfolio
- Extra income

ViewFinders

Mission

We help visitors of Copenhagen to get a great experience of the city and capture ever lasting memories of their trip while giving the upper coming photography enthusiasts and local tour guides an opportunity to sharpen their photography skills, earn a few extra crowns, and build rewarding international friendships.

Vision

Become the Airbnb of photography tours.

Values

Trust Passion Friendship Simplicity Flexibility
